

FALL 2026

DOVETAIL
WORKWEAR

**THE GROUND
WE STAND ON**

A woman with long brown hair in a braid, wearing a red button-down shirt and dark jeans, stands in a workshop. She has a colorful tattoo on her right forearm and is holding a hammer. The background shows wooden beams and other people working.

OUR MISSION

**TO EMPOWER
WOMEN TO THRIVE
IN THEIR WORK BY
MAKING THE BEST
WORKWEAR,
PERIOD.**

Our Product Promise

FIT Our pants are built specifically for women's bodies. Our range of inseams, rises, stretch fabrics, and comfortable cuts fit many shapes and sizes - all to help get the job done.

FUNCTION Engineered with women in trades and in physical fields, our products are walking tool boxes. Extreme pocket power. Stretch and articulation for mobility. Reinforcements where needed. Dovetail works better.

DURABILITY We rigorously test the integrity and abrasion resistance of our fabrics. You can put our apparel through the paces, thanks to rugged reinforcements in high-stress areas, and fiber-based technologies that cover all the bases.

OUR FABRIC STORY

WE BUILD WORKWEAR in 6 core fabric families, each engineered for varietal job demands and climates. We don't settle for "good enough." If we can't find a fabric tough enough, stretchy enough, or sustainable enough—we create it.

DENIM

Classic workwear fabric with modern stretch

GRAPHENE DENIM

3x more durability

HOTSWAP™ DENIM

Innovative single layer thermal that's 40% warmer than regular denim for colder conditions

CANVAS

Tough traditional workwear fabric with comfort stretch.

ULTRALIGHT RIPSTOP

Lightweight fabric with UPF 50+ sun protection

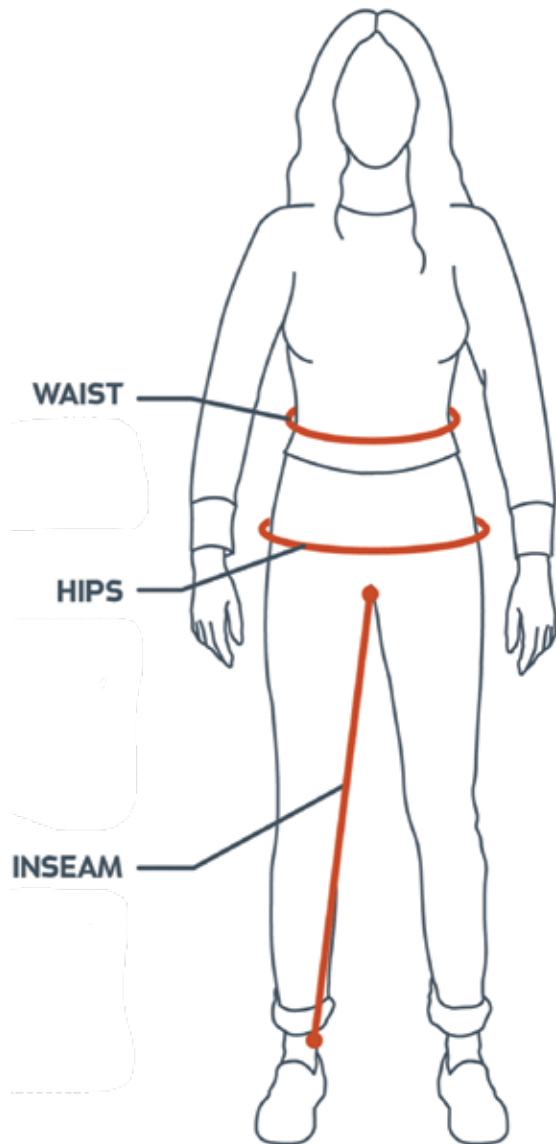

COOLSWAP™ RIPSTOP

Evaporative cooling, durable stretch, UPF 50+ protection, quick dry performance fabric.

RISE GUIDE

Dovetail Workwear offers work pants in mid-rise and high-rise.

HIGH-RISE

10.5" or greater

Sits at or above the natural waist and navel.

MID-RISE

8-10.5"

Sits just below the navel, or in the middle of the hips and waist.

*With the exception of the Britt Utility Pant (11.25" rise), fits as classic below belly-button mid-rise. Measurement is longer to accommodate low fabric stretch.

DOVETAIL SIGNATURE FEATURES

A guide to Dovetail Workwear's signature product features.

EZWAIST™

Integrated stretch waistband for gap-free fit and improved comfort while moving, bending, and stretching.

HIP SLOT™

Small slot pocket positioned to conveniently hold a tape measure or other clip-on tools.

TWINE HOLE™

Reinforced eyelet in pocket allows you to conveniently dispense twine without tangles.

CROTCH GUSSET

Gussets allow better range of motion and more comfort for crouching, climbing and other dynamic movement.

REINFORCED THIGH AND KNEE

Double panels for added durability in high wear areas.

ARTICULATED KNEE

Shaped knee for more comfortable movement and better range of motion.

KNEEPAD SLOT

Integrated slot to hold foam knee pads.

TOUGH CUFF™

Reinforced back cuff for added durability.

HOTSWAP™

STRETCH THERMAL DENIM COLLECTION

40% WARMER THAN REGULAR DENIM

Swap out your regular denim for Dovetail Workwear **HOTSWAP™** Stretch Thermal Denim and experience a whole new way to work in cold weather. This all-in-one thermal denim is a stretchy, fully integrated hybrid fabric: durable denim on the outside, cozy on the inside. It thermoregulates, keeping you toasty but never roasty, offers dynamic stretch with no break-in period, and does it all without a traditional bulky liner so you're free to move, stretch, and bend.
