> Thule Aion Collection

More with less

This collection of bluesign® approved luggage, bags, and backpacks combines 100% recycled materials with a classic, clean, and casual look built for any travel or day-to-day use.

Waxed canvas

Thule Aion's 600D waxed canvas is 5x stronger and 3x more water-resistant than traditional waxed cotton canvases.

Recycled materials

Made with bluesign® approved, 100% recycled fabrics and PFC free durable water-resistant coating.

A place for everything

Dedicated, easy to clean compartments keep your active lifestyle's wet and dirty clothes or shoes separate.

Thule Aion carry on spinner

Model name: TARS122 **Model number:** 3205020 **Price:** \$349.95

The Thule Aion carry-on suitcase is a durable piece of luggage for work or adventure with a removable packing cube that optimizes packing space and can be used on its own as a day bag.

FEATURES

Includes a removable compression packing cube with a TPU lining that separates odor, moisture, and dirt from the rest of the bag and doubles as a day bag

Oversized rear wheels effortlessly glide over rough terrain and smaller, recessed front wheels increase interior space

Convenient front pocket helps stash a jacket on the go

Zippered exterior pocket provides quick access to keys, wallet, and smaller items

The interior mesh pocket that divides the main compartment keeps items separate and secure during travel

Durable exoskeleton with a polycarbonate back panel helps absorb the impact of travel and patented V-tubing telescoping handle is smooth and easy to pull

Exterior zipper sliders can be locked together for added security (locks sold separately)

Outer shell fabric, lining, and mesh are made of 100% recycled polyester from recycled plastic bottles while the polycarbonate back panel is made of 50% recycled material

The 600D waxed canvas shell fabric is highly durable and includes a water-resistant coating free of toxic PFCs that repels moisture, dirt, and stains

All Thule Aion products are bluesign® certified

Thule Aion travel backpack 28L

Model name: TATB128 **Model number:** 3204722 **Price:** \$189.95

The multifunctional Thule Aion 28L backpack expands from a day pack to a 32L travel backpack for 15% more packable space, and has a convenient divider to separate your everyday items from your active gear.

FEATURES

Expands from a 28L daypack to a 32L travel backpack for 15% more packable space

The easy-to-clean TPU divider keeps items organized and prevents odor, moisture, and dirt from spreading to the rest of the bag, it also tucks away when not in use

Zippered top pocket keeps small items secure, organized and within reach

Compatible with the Thule Aion Sling Bag which doubles up as a supportive hip belt (sold separately)

Quick-access external stash pocket helps store small items

Padded storage protects a 15.6" PC/16" MacBook and 12.9" tablet

Thule Aion duffel 35L

Model name: TAWD135 **Model number:** 3204725 **Price:** \$189.95

This multipurpose, waxed canvas duffel bag offers split packing to separate clean from dirty, as well as secure laptop and tablet storage.

FEATURES

The easy-to-clean TPU-lined compartment separates damp or dirty items from the rest of your gear and tucks away when not in use

The internal divider separates the duffel into two different packing sections and also has storage space for laptop, chargers, and other electronics

Removable, padded shoulder straps convert the bag from a standard duffel to a crossbody carry

External stretch pockets on the top of the bag provide quick and easy access

Dedicated storage protects a 15.6" PC/16" MacBook and 12.9" tablet

Internal zippered pocket stores a phone, charger and other small items during travel

New

› Thule Subterra 2 Collection

**Sleek, versatile,
and urban-inspired**

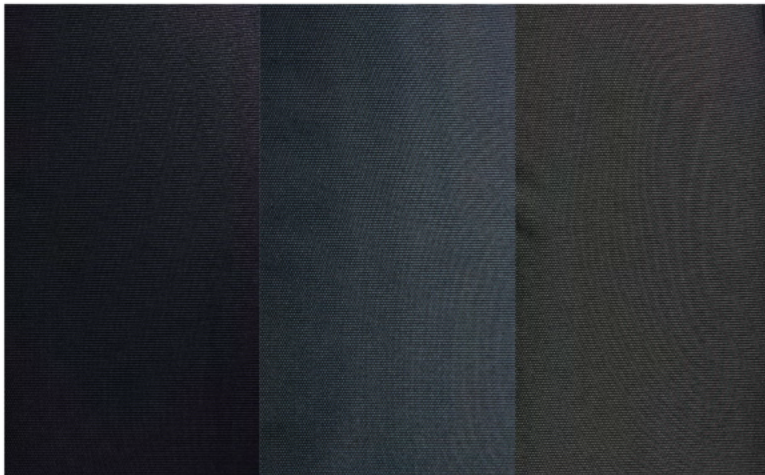

The new Thule Subterra 2 luggage collection takes versatility and boldly simple aesthetics to the next level, with adaptable interiors and modular design.

Black

Dark Slate

Vetiver Gray

bluesign® certified and more striking than ever

We've taken the iconic iridescent fabric and the boldly simple aesthetic up a notch with updated silhouettes, refined shapes, and two striking new colors - Dark Slate and Vetiver Gray. Not only that, but except for the PowerShuttles, every bag in this collection is bluesign® certified. Bluesign® is a strict international criteria that ensures the protection of workers, consumers, and the environment.

Versatile, modular design

The modern traveler is constantly adapting to their surroundings, that's why we've updated this collection to be more versatile than ever. The removable compression cubes, toiletry bags, and attachés can be placed in larger bags, used separately, or removed for shorter journeys. Similarly, the additional sling bags and crossbodies can be combined with your luggage when traveling or used alone once you reach your destination.

Thule Subterra carry on

Model name: TSR336 **Model number:** 3203447 **Price:** \$359.95

A sleek and durable 2-wheel carry-on complete with a compression panel to maximize packing space and minimize wrinkling.

FEATURES

Easy to pack more, separate clean from dirty or keep clothes in place thanks to the internal compression panel

Smooth and easy transport with tough, oversized wheels and V-Tubing telescoping handles

Effortless travel thanks to the piggyback strap attachment loop that allows an additional bag to be hooked on

Divided main compartment keeps clean-from-dirty, wet-from-dry, and work-from-play

Quick access to keys, wallet and smaller items through zippered mesh pocket

Built in ID card slot simplifies identification of bag

Bag design absorbs the impact of travel due to the durable exoskeleton and molded polycarbonate back panel

Smooth lifting and rearranging in overhead bins with top, side and bottom grab handles

Complies with carry on requirements for most airlines

Protects contents from the elements with durable, water-resistant materials

Updated

➤ Thule Chasm Collection

Durable luggage for the rigors of every journey

Built to perform, every bag is constructed from a durable 900D fabric with a PFC-free durable water-repellent finish to withstand the wear and tear of your adventures and protect your gear from the elements.

Versatility for any exploration

No matter whether you're traveling by train, plane, or car, versatile features like removable backpack straps, wide mouth openings, oversized grab handles, and easy-access pockets make these bags a perfect solution for all kinds of journeys.

New: PFC-free, recycled materials

All the exterior and interior fabrics, webbings, and mesh in our updated Thule Chasm collection are made with 100% recycled materials. The water-resistant coating on the exterior is also free from environmentally harmful PFCs.

Thule Chasm backpack 26L

Model name: TCHB215 **Model number:** 3204984 **Price:** \$149.95

A durable, weather-resistant 26L laptop backpack for sport, travel, and everyday adventures.

FEATURES

All the exterior and interior fabrics, webbings, and mesh are made of 100% recycled materials

Protect a 16" MacBook in the elevated, thickly-padded sleeve

Quickly access a phone and small items in the top zippered pocket with soft-lining and mesh walls

Protect contents from the elements with a durable, weather-resistant front panel and base

Keep accessories secure and easy to locate in the organizational panel with a soft-lined mesh pocket, slip pockets, and bulk storage for a power brick

Quickly access your laptop on the go with the side zipper

Carry in comfort with the contoured, breathable shoulder straps, padded backpanel and fully-adjustable sternum strap

Stash a water bottle or other essentials in the expandable side pocket

Attach additional gear to your bag with a carabiner and the integrated daisy chains

Stay visible and safe with the dedicated bike light attachment loop

› Hiking, Backpacking & Travel Backpacks

Thule hiking backpacks are expertly designed for comfortable day hikes or short overnight trips. And customizable to fit your body and your adventure.

Thule Landmark 70L

Model name: TLPM170 **Model number:** 3203731 **Price:** \$259.95

An extended-travel adventure backpack with a detachable daypack, built-in safety features and a backpanel cover to prevent wear and tear.

FEATURES

Protect and organize a phone, sunglasses, cords and small valuables in the SafeZone compartment

Keep money and a passport safe from pickpockets in the covert CashStash compartment hidden under the SafeZone

Navigate day trips with the removable 20L add-on daypack complete with 15" MacBook® storage, a breathable backpanel and a covert CashStash pocket for money and personal items

Enjoy a hands-free, balanced and secure carry by attaching the add-on daypack to the front of the shoulder straps

Prevent wear and tear with a zippered cover to protect the backpanel, shoulder straps and hipbelt when bag is not being worn

Deter theft with innovative LoopLocks by securing zipper pulls to the bag. Double zipper pulls can also be locked (TSA locks sold separately)

Belongings are held securely in place and organized with internal compression straps and mesh storage pockets

Securely store a water bottle and other small items in the zippered side pocket

Designed as a checked piece of luggage to support longer travel excursions

Easily move the sternum strap whistle from the main pack to the daypack for an added level of safety on any outing

› Thule AllTrail Collection

New

Sustainable bags that let you do more with less

Every bag in this collection is bluesign® certified, a strict international criteria that ensures the protection of workers, consumers, and the environment.

Perfect for multiple activities

Its narrow profile is nimble on the bike and equally comfortable on the hiking trail. The waist strap provides extra stability on the bike but can be detached when used in a daily setting.

Extra capacity for gear you need

Most slim hydration packs have room for a small multi-tool and a minimalist wind vest. Thule AllTrail 10L has space for a hoodie and a sandwich, a perfect companion for various outings.

Patented ReTrakt™ hydration system

With our ReTrakt system, simply release the hose when you're done drinking and it will snap back into place in an instant, allowing you to keep your focus on the trail.

Thule AllTrail hydration pack 10L

Model name: **Model number:** 3205077 **Price:** \$109.95

We've taken the best of our outdoor know-how to bring you a versatile 10L daypack that can do it all wherever you go - out on the trail, in town, or on your travels.

FEATURES

Hydration hose includes our patented magnetic system that snaps it back into place on the shoulder strap after you drink - easy to access when you need it and out of the way when you don't

Streamlined enough for a short ride, but large enough to carry extra food, supplies, and bulky items

Top pocket provide easy access to essential everyday items like phone, glasses, keys

bluesign® is a strict international criteria that ensures the protection of workers, consumers, and the environment

Side pockets provide quick access to water bottle, nutrition or tools

Waist strap provides extra stability to enhance mobility on the trail, but can be detached for casual simplicity when heading into town

Back panel is made of air mesh for a comfortable, breathable hike or ride out on the trail

Interior zipper mesh pocket provides secure storage for smaller items

Thule AllTrail hydration pack 22L

Model name: **Model number:** 3205084 **Price:** \$149.95

We've taken the best of our outdoor know-how to bring you a versatile 22L daypack that can do it all wherever you go - out on the trail, in town, or on your travels.

FEATURES

Hydration hose includes our patented magnetic system that snaps it back into place on the shoulder strap after you drink - easy to access when you need it and out of the way when you don't

Room for hours' worth of nutrition, tools, safety supplies and extra layers for cooler climates or variable weather, while maintaining a narrow profile to keep you nimble on the trail

Rain cover keeps your pack dry in the wettest weather and stows neatly in the sidewall of the pack when the sun shines again

Top pocket provide easy access to essential everyday items like phone, glasses, keys

bluesign® is a strict international criteria that ensures the protection of workers, consumers, and the environment

Front pocket allows you to quickly stash gloves, a rain jacket or a beanie when the weather changes quickly

Side pockets provide quick access to water bottle, nutrition or tools

Waist strap provides extra stability for long trips on the trail, but can be tucked away for casual simplicity when heading into town

Back panel is made of air mesh for a comfortable, breathable hike or ride out on the trail

Interior zipper mesh pocket provides secure storage for smaller items

Thule Paramount Hybrid Pannier 26L

Model name: TPHP326 **Model number:** 3205093 **Price:** \$199.95

The Thule Paramount Hybrid Pannier 26L seamlessly transitions from a bike pannier to a backpack, perfect for commuting to work or getting around town.

FEATURES

The bag includes interior organization for 16" laptop, 11" tablet, and plenty of bulk storage space for books, lunch or extra clothing

Easy and secure attachment to the bike rack thanks to the attachment hardware, with an optional strap around lower portion of bike rack if additional stability becomes necessary

Converts easily into a backpack, simply unzip the back panel, flip it over, and rezip the back panel so that the backpack shoulder straps are outward facing

Padded straps, ventilated ridge foam and robust support structure for comfortable carry

While the bag is already weather-resistant, the additional rain cover provides protection from hard rain and visibility at night thanks to its all-over reflectivity

Black
3205091

Soft Green
3205092

The durable, PU-coated YKK zippers and weather-resistant materials free from harmful PFAS chemicals are easy to clean, and provide protection in bad weather

Quick-access front pocket is great for storing bike lock, gloves or rain jacket

Zippered pockets on sides and top of bag make personal items or work essentials easy to reach

Attach helmet through straps on front of bag for hands-free transport when off the bike

Bike light loop and reflective details help you stay visible at night

➤ Thule RoundTrip Bike Collection

Protection and convenience for
your bike and cycling accessories

Stress-free travel and storage for your road,
gravel or mountain bike, with trustworthy
protection for all the accessories too.

*When traveling for an out-of-town race or
between continents on a world tour, it's often
cheaper to fly with a bike as checked luggage
than to ship it separately.*

Thule RoundTrip Bike Duffel

Model name: **Model number:** 3204352 **Price:** \$159.95

A purpose-built bike gear bag for the dedicated cyclist, with infinite organization to house wearables and accessories from one ride to the next.

FEATURES

Keep all your cycling gear available and organized from wherever your ride begins - at the trailhead, race start, weekend destination or at home

55L total capacity holds 3-5 days of road bike or mountain bike gear, including seasonal accessories

Organize coordinating kits, jackets and accessories in individual cell pockets

Visibility and efficient access to all compartments thanks to the bag structure and wide opening

Dedicated shoe pocket is lined with tarpaulin for easy cleaning

Comfortably pack any size road or trail helmet in the dedicated compartment

Store dirty laundry or after-ride clothing in the versatile lid pocket

Wear the removable shoulder strap in cross-body configuration for stable carrying while walking or riding a bike

Keep nutrition, small tools or race supplies visible but separate from clothing in front pocket

Protect GPS or keep wallet secure in the exterior zipper pocket

Thule RoundTrip Road Bike Travel Case

Model name: **Model number:** 3204825 **Price:** \$999.95

The safest and easiest way to travel with your road, gravel or cyclocross bike, with an integrated work stand for proper assembly and maintenance along the way.

FEATURES

Safely transports almost all road, gravel or cyclocross bikes, fitting wheelbase up to 110cm

Included work stand makes bike maintenance, assembly and disassembly easier while traveling or at home

Easily fasten the bike to the workstand inside the case for safe and secure transport

Padded interior packing panels are tailored to protect all parts of bike during transport

Rigid side panels are reinforced with 5mm corrugate polypropylene and a molded HDPE bottom tub provide superior protection

Folding sidewalls collapse and secure tightly for compact storage (just 124 x 38 x 24cm) at travel destination or at home

Swiveling front wheel makes for effortless maneuvering through airports

Front wheel stores inside case when checking bag, during storage and for easier loading and unloading of case

Brake rotor pockets locate wheels in the optimal packing position and protect rotors from bending stress while traveling

Specially-tailored packing components protect handlebar, seat, seatpost and drivetrain

➤ Thule Paramount Collection

Style meets function for your on-the-go lifestyle

Our latest generation of the Thule Paramount collection has a stylish, modern look that's distinctly Thule, with the functionality and comfort you need to get around town with ease.

A range of styles for the different commutes

As the way we work and get around town evolves, the latest generation of the Thule Paramount collection has been upgraded to support your active, on-the-go lifestyle.

Versatile features inside and out

Ride your bike one day, take a train the next - these bags help you take on the city with a wide range of versatile features like integrated loops for attaching bike lights, reflective details for visibility at night, and hidden security pockets to keep your essentials protected.

Bags that complement your style

The collection features an expanded range of styles including backpacks, crossbodies, a tote, and even an innovative new bike pannier designed to complement your style and seamlessly get you around town for work, school, or play.

Thule Paramount crossbody 2L

Model name: PARACB3102 **Model number:** 3205005 **Price:** \$59.95

This Thule Paramount crossbody bag has a stylish, modern look that complements your style and helps you bring all your essentials with you around town.

FEATURES

Wear this bag comfortably at the front, back, side, or remove adjustable shoulder strap and use as an organizer in another bag

Top zippered opening provides wide view of and easy access to interior contents, while front and back compartments allow for organized storage of loose contents

Internal, zippered divider panel can store phone, passport, phone charger, earbuds or other essentials

Small mesh slip pockets keep cords contained, while key fob lash keeps keys secure and accessible

Discrete loops on shoulder strap to hang sunglasses or other gear

Features like premium YKK zippers, sturdy 420D nylon fabric, a water-resistant finish free from harmful PFCs, and coated base material on the bottom of the bag all provide extra layers of durability and protection that stand up to everyday use

bluesign® is a strict international criteria that ensures the protection of workers, consumers, and the environment

Bike light loop and reflective details help you stay visible at night

Simply remove the shoulder strap and use the crossbody as an organizer inside another larger bag
