## > Child Carrier Backpacks

A Thule baby backpack is the ideal child carrier. Safe and comfortable for both you and your little one, it lets you share a perfect day on the trail.

# Thule Sapling

**Model name:** **Model number:** 3204539 **Price:** \$429.95

A child carrier backpack with an innovative, machine washable child seat that provides complete leg support to maximize comfort on any adventure.

## FEATURES

The ventilated sitting area keeps your child cool and the innovative ErgoRide child seat provides complete under-leg support for maximum comfort on long trips without the need for the stirrups used on traditional carriers

Fully adjustable torso and hip belt provide a perfect fit, a comfortable carry and quick transition from parent to parent

Fully removable, machine washable ErgoRide child seat and drool pad for easy clean up

Dual access lets you load your child from the top or the side panel opening

A deployable UPF 50 sunshade protects your child and keeps it cool

Easily access the 22L gear compartment while wearing the pack through convenient side zippers

Fully ventilated backpanel keeps parent comfortable and cool

This carrier is made of recycled polyester and free from PFCs, chemicals that can be harmful to the environment.

Hydration compatible design features drink tube exit port in the gear compartment (reservoir sold separately)

Designed so you easily can add on accessories for e.g. additional storage or weather protection (each sold separately)

# Thule Sapling Rain Cover

**Model name:**                      **Model number:** 3204542 **Price:** \$39.95

Keep your child and belongings dry with Thule's packable child carrier rain cover.

## FEATURES

Made of bluesign® approved 70 denier nylon with a waterproof polyurethane coating to keep water out

Clear side windows protect your child from the elements, but let them enjoy the beautiful views

Rollaway front window provides 360 degree protection against the elements

Leg flaps keep your child's legs dry by preventing water and cold wind from entering the side of the rain cover

Integrated stuff sack for compact storage

Reflective strip keeps you visible in low light situations

Fits all current Thule Saplings manufactured from 2021 to present

## > Child Bike Seats

Thule child bike seats are ideal for the daily commute or for family adventures. Safe, easy to use and comfortable whether the ride is short or long.

New

## › Thule Yepp 2

**Providing comfort and style  
for everyday rides**

The child bike seat with a personality,  
designed for easy commutes and everyday  
rides with great functionality.

**Iconic design and  
inspiring colors**

Made for easy commutes and everyday rides with great functionality, this iconic child bike seat has a great new look with colors to match. It has been carefully updated to honor the heritage of the classic design, while adding a modern design language for new generations. The updated color palette reflects an urban modern lifestyle – stylish, inspiring, and made for activity.

New

# > Thule Yepp 2

Soft and shock-absorbing seat that lets your child travel in comfort

Thule universal mount allows for quick mounting and makes it easy to switch between different bikes

Adjustable footrests and footstraps ensure a perfect fit as your child grows

Adjustable padded 5-point safety harness for a safe, custom fit and maximum child comfort

Childproof safety buckle secures your child quickly and easily

## A comfy ride

Your child sits comfortably in the soft and shock-absorbing seat. It's easy to clean and keep dry due to the seat's water-repellent materials.

## Easy to install

There are three quick and easy ways to mount and dismount Thule Yepp 2 on your bike. Either use the mounting system for bikes with standard rear bike racks\*, or the frame mount system that makes it easy to change the seat between bikes. 3rd option is our dedicated front mount system for a up close and personal ride.

*\*The rear bike rack must be approved for minimum 25 kg load.*

# Thule Yepp Nexxt 2 Mini

**Model name:**                      **Model number:** 12080121    **Price:** \$219.95

Thule Yepp Nexxt child bike seats let you and your child enjoy everyday bike rides together – safely, easily, and in style. The lightweight and safe frame or rear-rack-mounted child bike seat has a contemporary design providing premium comfort for your child, with added safety features for head protection. The magnetic safety buckle quickly and easily secures your child to the seat.

## FEATURES

Lightweight yet sturdy seat combining a hard outer shell with soft padding for premium child comfort

Available in frame, rack, and front versions

The seat can be mounted and dismounted from the bike in seconds with the universal quick-release bracket, making it easy to switch between different bikes

Adjustable footrests and footstraps ensure a perfect fit as your child grows

Soft and shock-absorbing seat that lets your child travel in comfort

Adjustable padded 5-point safety harness for a safe, custom fit and maximum child comfort

Comfortable handlebar for your child’s hands during the ride

Water-repellent materials make the seat easy to clean and to keep dry

Designed and tested for children from 9 months\* to 3 years old, up to 33 lbs/15 kg. (\*Consult a pediatrician for children under 1 year old.)

# Thule RideAlong 2

**Model name:** **Model number:** 100207 **Price:** \$299.95

Classic, safe and easy-to-use reclining child bike seat, taking your daily commutes and family bike adventures to the next level. With Thule RideAlong child bike seat, it's easier than ever to bring the kids along for a bike ride. The seat's quick-release bracket makes it super-easy and quick to install. The bracket is mounted with bolts from the front, where there's free space to use a tool. Once the bracket is mounted, the seat clicks into position and is ready for use in seconds. The child bike seat also has a reclining function for extra comfort and on-the-go naps.

## FEATURES

Seat can be mounted/dismounted from bike in seconds with the universal quick-release bracket, fitting most bike frames (28-40 mm diameter round frames and maximum 40 x 55 mm oval frames)

Integrated protection wings safeguard your child's hands when the bike is leaned against a wall

Your child rides safely with the adjustable 3-point harness

Smooth, comfortable ride for your child due to the DualBeam suspension system that absorbs road shock

Your child is quickly and easily secured with a childproof safety buckle with large buttons

Added visibility thanks to built-in reflector and safety light attachment point

Ensures a perfect fit as your child grows thanks to the single-hand adjustable foot rests and foot straps

Detachable, water-repellent padding is machine washable and reversible, offering two color options

Comfortable for on-the-go naps with five different reclining options (up to 20°), easily adjusted using only one hand

## TECHNICAL SPECIFICATIONS

# ➤ Thule Glide 2

## Designed for runners

Go for a run with our dedicated running stroller Thule Glide 2. Great companion with large wheels and suspension that lets you and your child get the most out of your run.

## Top 3 benefits of a dedicated running stroller

### Light and fast

Ideal for running thanks to its aerodynamic and light design, large 18" rear wheels, fixed 16" front wheel, large legroom and optimum kick stride.

### Efficient hand brake

The integrated handbrake provides increased safety and brake control on difficult terrain and during running sessions.

### Compact fold

Compact folding with one hand for easy storage and transport.

### Guinness World Record Holder Calum Neff – Professional runner

*"It was one of those moments you dream of, everything clicking. It was special to share it with Aley."*
