Thule is a premium outdoor and lifestyle brand that helps you transport anything you care for. We believe in the value of an active life - whether you're in the city or the great outdoors. Our brand essence is summarised in three words:

Bring your life

New

› Thule Allax

**The safe, reliable and easy to use
dog crate for cars**

The dog crate comes in ten different sizes, all with rounded edges to provide a perfect fit for both your car and your dog. Plus, the dog travel crate can be adjusted in depth for a perfect fit in your trunk, and tension bands ensure that it stays securely fastened while driving. Well-designed and well-built - no noise or rattle will come from this premium dog crate.

New

Thule Allax

The safe, reliable and easy to use dog crate for cars

Safe and reliable

Thule Allax offers advanced protection and comfort for your dog. It is crash tested from the front, and the rear, and in a roll-over scenario. It has an innovative crumple zone and an escape hatch.

Fits your car - and your dog

Available in ten different sizes and adjustable depth, there is a Thule Allax dog crate that fits your car and your dog perfectly.

For an active life together

Easy to use, this premium dog crate has a gas damped door for a smooth opening and closing, a built-in lock and great accessories to complete the experience.

Accessories

Thule Dog Crate Bumper Protector

Thule Dog Crate Mat

Thule Dog Crate Storage Bag

Thule Dog Crate Leash Hook

The crate is equipped with an escape hatch, that enables opening of the crate from the backseat

The window and the openings in the crate make it easy for you to check on your dog at any time

The crate has a built-in lock for added security

Innovative crumple zone provides superior protection for dogs in case of rear collisions

The door's gas damping mechanism ensures a gentle open and close, enhancing your everyday interactions

THULE BEXEY: THULE'S FIRST 100% DOG DEDICATED BIKE TRAILER

DOG COMFORT AND DOG CONFIDENCE FOCUSED DESIGN

EASE OF USE AND CLEANING

**DURABILITY AND REPAIRABILITY DESIGNED WITH
DOG USE IN MIND**

DOG COMFORT AND DOG CONFIDENCE FOCUSED DESIGN

TRAINING MODE

Wheels can be removed to rest the trailer firmly on the stable plastic base while training dog safely indoors.

LOW ENTRY + LOW CENTER OF GRAVITY

The low rear entry makes it easy for dogs of all sizes to jump in.

ADDITIONAL VENTILATION

Front, top and side mesh to allow maximum ventilation of trailer.

EXTRA HEAD HEIGHT

Extra height in front for dogs' head space. Modular openings to allow visibility for the dog.

STABLE TRAILER FLOOR

Lower center of gravity and solid plastic flooring covered in padded material increase stability for the dog.

EASE OF USE FOCUSED DESIGNED
